Dear Corporate Athletic Sponsor:

Central Christian School is pleased to continue a program to join hands with companies in Baldwin and Mobile Counties to assist us in building not only talented student athletes, but also young adults with Godly character. To accomplish this goal, we would like to ask for your support by joining our Athletic Booster Sponsorship Program at one of the levels listed on the following page. Your generous donation allows us to continue offering a quality athletic program here at CCS and provides your company with a year of advertisement in our gym or outdoor baseball and softball fields for all our parents and visitors to see at each home game.

Over the years, the students athletes have won Regional Championships, Final Four Titles and even National Titles. This year, we have many graduating senior athletes and are anticipating a great year in our athletic department. We are very blessed to have these athletes and families here at CCS, and look forward to the year.

Thank you for your time and consideration in this matter. We appreciate your generous support of our student athletes.

Sincerely,

Michael Turner  
Athletic Director
