Application for Admission for Dual Enrollment and Vocational training.

Purpose: Eligible high school students may enroll in a course which provides both college and high school credit. Serious consideration will be given to interested students in order to ensure they have the social maturity and academic readiness for college-level work. By completing this application, you are acknowledging your interest in the Dual enrollment program. For each semester that a student successfully completes, he/she will be awarded full college credit and a half credit of coursework at CCS. Failure to complete the course (if required for graduation) may result in summer school and, for seniors, a failure to graduate on time.

Eligibility requirements:

- You must be in 10th, 11th, or 12th grade.
- You must have at least a 3.5 unweighted GPA for academic classes, or a 2.5 GPA for Coastal trade programs
- You must be accepted into a college with which we have an enrollment agreement.
- You must have a laptop and a home internet connection.

*Once this form is completed, the above criteria for dual enrollment must be met along with the following: high school teachers will give their recommendation on whether or not the student has the social maturity and academic readiness for the dual enrollment program.

Parents:

Your signature below indicates the following:

- You give permission for your student to participate in the dual enrollment program.
- You understand that failure to complete the course may result in summer school and could impact your students expected graduation date.
- You agree to any and all extra fees associated with the Dual enrollment program, including but not limited to, any applicable fees, tuition, or book costs.
